CACFP Team Nutrition Training Wellness Kit Application – Extended Due Date: Friday, May 22, 2015

Don't miss out! The due date has been extended for the CACFP Team Nutrition Training Wellness Kit Application, posted under *What's New?* online at <http://www.isbe.net/nutrition/>.

Each FREE kit will include:

- Nutrition activity booklets for children – each with a fruits, veggies, and grains theme
- Nutrition education teacher curriculum for short activities with fruits and vegetables
- Fun stickers that celebrate “Eat Smart to Play Hard”
- Storybooks with a nutrition-related theme, and
- Physical activity items that can be used indoors

All independent centers in Illinois that participate in the CACFP and have 75% or more of their students eligible for free and reduced price meals are eligible to request a kit, simply by completing and submitting the one-page application (independent centers are those that have only one site assigned under their Agreement/RCDT #).

In return, all we ask is that you use the Wellness Kit items to provide fun and creative nutrition and physical activity education, and send us a picture and brief description about the activity the children enjoyed best.

The deadline to apply is Friday, May 22, 2015.

This project is funded by FY13 Team Nutrition Training Federal funds from the U.S. Department of Agriculture.
