SFSP Workshops and WINS Changes

SFSP Workshops

Just a friendly reminder to be sure to register attendees from your organization for any of the upcoming SFSP workshops. Please remember that annual training is required. Current sponsors (of more than two years) may attend half-day workshops or the SFSP webinar. Sponsors that were new in 2014 MUST attend one of the all-day SFSP workshops. Dates and locations are on the workshop registration page at <http://webprod1.isbe.net/cnscaledar/asp/eventlist.asp> Be sure to print out the "additional information" document which provides links with travel directions. We will have posters and yard signs at the workshops.

Change Requests for WINS

This message is being sent to the listed Authorized Representative and any listed contact. If you need to add a contact or make any changes please use the SFSP Change Request form found at <http://www.isbe.net/nutrition/PDF/67-05-sfsp-change-request-form.pdf> Please note that any changes to the Sponsor or Authorized Representative information must be accompanied by, or requested via, a signed letter on organization letterhead. Now is the best time to make any changes before we all get super busy with the program.

We look forward to seeing you. Feel free to contact Amy Bianco, abianco@isbe.net or Naomi Greene, nagreen@isbe.net with any questions or concerns.

Thank you!
