Student Discipline

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including, but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco materials.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, or selling:
 - a. Any illegal drug, controlled substance, or cannabis (including marijuana and hashish).
 - b. Any anabolic steroid not administered under a physician's care and supervision.
 - c. Any prescription drug when not prescribed for the student by a licensed physician or when used in a manner inconsistent with the prescription or prescribing physician's instructions.
 - d. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - e. "Look-alike" or counterfeit drugs, including a substance not containing an illegal drug or controlled substance, but one: (a) that a student believes to be, or represents to be, an illegal drug or controlled substance; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug or controlled substance.
 - f. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a weapon in violation of the "weapons" section of this policy.
5. Using or possessing an electronic paging device or using a cellular telephone, video recording device, personal digital assistants (PDAs), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs, cheat, signal others, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept off and out of sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's IEP; or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.

7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct. Prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, hazing, or other comparable conduct.
10. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
11. Being absent without a recognized excuse; State law and Board policy on truancy control will be used with chronic and habitual truants.
12. Being involved with any public school fraternity, sorority, or secret society, by:
 - Being a member;
 - Promising to join;
 - Pledging to become a member; or
 - Soliciting any other person to join, promise to join, or be pledged to become a member.
13. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
14. Violating any criminal law, such as assault and battery, arson, theft, gambling, and hazing.
15. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations where the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of early intervention and progressive discipline, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or physiological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

The grounds for disciplinary action, including those described more thoroughly later in this policy, apply whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any other time ;

2. Off school grounds at a school-sponsored activity, or event, or any activity or event which bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Disciplinary Measures

Disciplinary measures may include:

1. Disciplinary conference.
2. Withholding of privileges.
3. Seizure of contraband.
4. Suspension from school and all school activities for up to 10 days, provided that appropriate procedures are followed. A suspended student is prohibited from being on school grounds.
5. Suspension of bus riding privileges, provided that appropriate procedures are followed.
6. Expulsion from school and all school-sponsored activities and events for a definite time period not to exceed 2 calendar years, provided that the appropriate procedures are followed. An expelled student is prohibited from being on school grounds.
7. Notifying juvenile authorities or other law enforcement whenever the conduct involves illegal drugs (controlled substances), "look-alikes," alcohol, or weapons.
8. Notifying parents/guardians.
9. Temporary removal from the classroom.
10. In-school suspension for a period not to exceed 5 school days. The Building Principal or designee shall ensure that the student is properly supervised.
11. Detention or Saturday school provided the student's parent(s)/guardian(s) have been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
12. Community service with local public and nonprofit agencies that enhance community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure giving the student and/or parent(s)/guardian(s) the choice

A student who is subject to suspension or expulsion may be eligible for a transfer to an alternative school program.

Corporal punishment shall not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who uses, possesses, controls, or transfers a weapon, or any other object that can reasonably be considered, or looks like, a weapon, shall be expelled for at least one calendar year, but no more than 2 calendar years. The Superintendent may modify the expulsion period and the Board may modify the Superintendent's determination, on a case-by-case basis. A "weapon" means possession, use, control, or transfer of: (1) any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code; (2) any other

object if used or attempted to be used to cause bodily harm, including but not limited to, knives, brass knuckles, billy clubs; or (3) "look-alikes" of any weapon as defined above. Any item, such as a baseball bat, pipe, bottle, lock, stick, pencil, and pen, is considered to be a weapon if used or attempted to be used to cause bodily harm. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

Required Notices

A school staff member shall immediately notify the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent(s)/guardian(s). "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, which is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board of Education may suspend a student from riding the bus in excess of 10 days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

No person, including a District employee or agent, or student, shall harass, intimidate or bully another student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Complaints of harassment, intimidation or bullying are handled according to the provisions on sexual harassment below. The Superintendent shall use reasonable measures to inform staff members and students that the District will not tolerate harassment, intimidation or bullying by including this policy in the appropriate handbooks.

Sexual Harassment Prohibited

Sexual harassment of students is prohibited. Any person, including a district employee or agent, or student, engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

1. Denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or
2. Has the purpose or effect of:
 - a. Substantially interfering with a student's educational environment;
 - b. Creating an intimidating, hostile, or offensive educational environment;
 - c. Depriving a student of educational aid, benefits, services, or treatment; or
 - d. Making submission to or rejection of such conduct the basis for academic decisions affecting a student.

The terms "intimidating," "hostile," and "offensive" include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students who believe they are victims of sexual harassment or have witnessed sexual harassment, are encouraged to discuss the matter with the student Nondiscrimination Coordinator, Building Principal, or a Complaint Manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

An allegation that one student was sexually harassed by another student shall be referred to the Building Principal for appropriate action.

The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. At least one of these individuals will be female, and at least one will be male.

Preventing Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important District goal. The Superintendent or designee shall develop and maintain a program that:

1. Fully implements and enforces each of the following Board policies:
 - a. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person from harassing or intimidating a student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status.
 - b. 7:190, *Student Discipline*. This policy prohibits students from engaging in hazing or any kind of aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct; prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, bullying, hazing, or other comparable conduct.
 - c. 7:310, *Restrictions on Publications and Written or Electronic Material*. This policy prohibits students from: (i) accessing and/or distributing at school any written or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (ii) creating and/or distributing written or electronic material, including Internet material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

Full implementation of the above policies includes: (a) conducting a prompt and thorough investigation of alleged incidents of bullying, intimidation, or harassing behavior, (b) providing each student who violates one or more of these policies with appropriate consequences and remedial action, and (c) protecting students against retaliation for reporting such conduct.

2. Examines the appropriate steps to understand and rectify conditions that foster bullying, intimidation, and harassment; this contemplates taking action to eliminate or prevent these disruptive behaviors beyond traditional punitive disciplinary actions.
3. Includes bullying prevention and character instruction in all grades in accordance with State law and Board policy 6:60, *Curriculum Content*. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
4. Fully informs staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes: (a) communicating the District's expectation – and the State law requirement – that teachers and other certificated employees maintain discipline, and (b) establishing a process for staff members to fulfill their obligation to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.

5. Encourages all members of the school community, including students, parents, volunteers, and visitors, to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.
6. Actively involves students' parents/guardians in the remediation of the behavior(s) of concern. This includes ensuring that all parents/guardians are notified, as required by State law, whenever their child engages in aggressive behavior.
7. Communicates the District's expectation that all students conduct themselves with a proper regard for the rights and welfare of other students. This includes a process for commending or acknowledging students for demonstrating appropriate behavior.
8. Annually communicates this policy to students and their parents/guardians. This includes annually disseminating information to all students and parents/guardians explaining the serious disruption caused by bullying, intimidation, or harassment and that these behaviors will be taken seriously and are not acceptable in any form.
9. Engages in ongoing monitoring that includes collecting and analyzing appropriate data on the nature and extent of bullying in the District's schools and, after identifying appropriate indicators, assesses the effectiveness of the various strategies, programs, and procedures and reports the results of this assessment to the Board along with recommendations to enhance effectiveness.
10. Complies with State and federal law and is in alignment with Board policies. This includes prompting the Board to update the policy beginning every 2 years after its initial adoption and filing this policy with the Illinois State Board of Education after the Board adopts or updates it.

This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
4. Fully informs staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes: (a) communicating the District's expectation – and the State law requirement – that teachers and other certificated employees maintain discipline, and (b) establishing a process for staff members to fulfill their obligation to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.
5. Encourages all members of the school community, including students, parents, volunteers, and visitors, to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.

6. Actively involves students' parents/guardians in the remediation of the behavior(s) of concern. This includes ensuring that all parents/guardians are notified, as required by State law, whenever their child engages in aggressive behavior.
7. Communicates the District's expectation that all students conduct themselves with a proper regard for the rights and welfare of other students. This includes a process for commending or acknowledging students for demonstrating appropriate behavior.

9. Engages in ongoing monitoring that includes collecting and analyzing appropriate data on the nature and extent of bullying in the District's schools and, after identifying appropriate indicators, assesses the effectiveness of the various strategies, programs, and procedures and reports the results of this assessment to the Board along with recommendations to enhance effectiveness.
10. Complies with State and federal law and is in alignment with Board policies. This includes prompting the Board to update the policy beginning every 2 years after its initial adoption and filing this policy with the Illinois State Board of Education after the Board adopts or updates it.

Student Discipline

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including, but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco materials.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, or selling:
 - a. Any illegal drug, controlled substance, or cannabis (including marijuana and hashish).
 - b. Any anabolic steroid not administered under a physician's care and supervision.
 - c. Any prescription drug when not prescribed for the student by a licensed physician or when used in a manner inconsistent with the prescription or prescribing physician's instructions.
 - d. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - e. "Look-alike" or counterfeit drugs, including a substance not containing an illegal drug or controlled substance, but one: (a) that a student believes to be, or represents to be, an illegal drug or controlled substance; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug or controlled substance.
 - f. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a weapon in violation of the "weapons" section of this policy.
5. Using or possessing an electronic paging device or using a cellular telephone, video recording device, personal digital assistants (PDAs), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs, cheat, signal others, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept off and out of sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's IEP; or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.

7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct. Prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, hazing, or other comparable conduct.
10. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
11. Being absent without a recognized excuse; State law and Board policy on truancy control will be used with chronic and habitual truants.
12. Being involved with any public school fraternity, sorority, or secret society, by:
 - Being a member;
 - Promising to join;
 - Pledging to become a member; or
 - Soliciting any other person to join, promise to join, or be pledged to become a member.
13. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
14. Violating any criminal law, such as assault and battery, arson, theft, gambling, and hazing.
15. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations where the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of early intervention and progressive discipline, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or physiological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

The grounds for disciplinary action, including those described more thoroughly later in this policy, apply whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any other time ;

2. Off school grounds at a school-sponsored activity, or event, or any activity or event which bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Disciplinary Measures

Disciplinary measures may include:

1. Disciplinary conference.
2. Withholding of privileges.
3. Seizure of contraband.
4. Suspension from school and all school activities for up to 10 days, provided that appropriate procedures are followed. A suspended student is prohibited from being on school grounds unless enrolled in the District's safe school program.
5. Suspension of bus riding privileges, provided that appropriate procedures are followed.
6. Expulsion from school and all school-sponsored activities and events for a definite time period not to exceed 2 calendar years, provided that the appropriate procedures are followed. An expelled student is prohibited from being on school grounds unless enrolled in the District's safe school program.
7. Notifying juvenile authorities or other law enforcement whenever the conduct involves illegal drugs (controlled substances), "look-alikes," alcohol, or weapons.
8. Notifying parents/guardians.
9. Temporary removal from the classroom.
10. In-school suspension for a period not to exceed 5 school days. The Building Principal or designee shall ensure that the student is properly supervised.
11. Detention or Saturday school, provided the student's parent(s)/guardian(s) have been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.

A student who is subject to suspension or expulsion may be eligible for a transfer to an alternative school program.

Corporal punishment shall not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who uses, possesses, controls, or transfers a weapon, or any other object that can reasonably be considered, or looks like, a weapon, shall be expelled for at least one calendar year, but no more than 2 calendar years. The Superintendent may modify the expulsion period and the Board may modify the Superintendent's determination, on a case-by-case basis. A "weapon" means possession, use, control, or transfer of: (1) any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code; (2) any other object if used or attempted to be used to cause bodily harm, including but not limited to, knives, brass knuckles, billy clubs; or (3) "look-alikes" of any weapon as defined above. Any item, such as a

baseball bat, pipe, bottle, lock, stick, pencil, and pen, is considered to be a weapon if used or attempted to be used to cause bodily harm. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

Required Notices

A school staff member shall immediately notify the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent(s)/guardian(s). "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, which is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board of Education may suspend a student from riding the bus in excess of 10 days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

This is a copy of the bullying policy that is in our handbooks for Roxana CUSD 1. Please let me know if you need any further information.

HARASSMENT OF STUDENTS PROHIBITED

No person, including a District employee or agent, or student, shall harass, intimidate or bully another student based upon a student's race, color, national origin, sex, sexual orientation, ancestry, age, religion, creed, physical or mental disability, status as homeless, or actual or potential marital or parental status, including pregnancy. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Complaints of harassment, intimidation or bullying are handled according to the provisions on sexual harassment below.

Sexual Harassment Prohibited

Sexual harassment of students is prohibited. Any person, including a district employee or agent, or student, engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

1. Denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or
2. Has the purpose or effect of:
 - a. Substantially interfering with a student's educational environment;
 - b. Creating an intimidating, hostile, or offensive educational environment;
 - c. Depriving a student of educational aid, benefits, services, or treatment; or
 - d. Making submission to or rejection of such conduct the basis for academic decisions affecting a student.

The terms "intimidating," "hostile," and "offensive" include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students that believe they are victims of sexual harassment or have witnessed sexual harassment are encouraged to discuss the matter with the student Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

An allegation that one student was sexually harassed by another student shall be referred to the Building Principal, Assistant Building Principal, or Dean of Students for appropriate action.

Nondiscrimination Coordinator: Debra Kreutztrager, Superintendent

Complaint Managers: Stephen Oertle, Assistant Superintendent; Laura Ballard, Special Education Coordinator

Preventing Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important District goal. The Superintendent or designee shall develop and maintain a program that:

1. Fully implements and enforces each of the following Board policies:
 - a. 7:190, *Student Discipline*. This policy prohibits students from engaging in hazing or any kind of aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct; prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, bullying, hazing, or other comparable conduct.
 - b. 7:310, *Restrictions on Publications and Written or Electronic Material*. This policy prohibits students from: (i) accessing and/or distributing at school any written or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (ii) creating and/or distributing written or electronic material, including Internet material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.
 - c. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person from harassing or intimidating a student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status.

Full implementation of the above policies includes: (a) conducting a prompt and thorough investigation of alleged incidents of bullying, intimidation, or harassing behavior, (b) providing each student who violates one or more of these policies with appropriate consequences and remedial action, and (c) protecting students against retaliation for reporting such conduct.

2. Examines the appropriate steps to understand and rectify conditions that foster bullying, intimidation, and harassment; this contemplates taking action to eliminate or prevent these disruptive behaviors beyond traditional punitive disciplinary actions.

This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
4. Fully informs staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes: (a) communicating the District's expectation – and the State law requirement – that teachers and other certificated employees maintain discipline, and (b) establishing a process for staff members to fulfill their obligation to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.

General-Discipline-Student Aggression Policy

502.2

Page 1 of 1

Bullying and aggressive behavior among students places an educational environment at increased violence or substantial disruption. Bullying is considered misconduct and will be the subject of discipline. Students who are at risk for engaging in bullying or aggressive behavior often exhibit early warning signs that can be addressed as part of a violence prevention plan, thereby increasing the overall safety of a school. Accordingly, students who are at risk for bullying or aggressive behaviors should be identified and receive services to address bullying.

Bullying is defined as *persistent, negative, psychological or physical acts directed by a student or group against another student or group of students*. Bullying may occur in any of the following situations: verbal or physical acts, written communications, **ELECTRONIC COMMUNICATIONS** and via gestures. Bullying which occurs outside of school (via verbal or physical acts, written communications, electronic communications or gestures) which causes, or may reasonably lead an administrator to forecast disruption in the school environment shall be subject to this policy and to discipline.

Teachers, administrators and other school staff are encouraged to identify students who might be at risk for engaging in aggressive behavior towards students, staff or other members of the school community. Staff will then direct their concerns to the principal who will refer the question to a district specialist who is trained in addressing bullying and aggression issues. If the student is determined to be at risk for engaging in bullying and aggressive behavior, the student's parents will be notified and a plan for intervention will be implemented.

7:180 Preventing Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important District goal. The Superintendent or designee shall develop and maintain a program that:

1. Fully implements and enforces each of the following Board policies:
 - a. 7:190, Student Discipline. This policy prohibits students from engaging in hazing or any kind of aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct; prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, bullying, hazing, or other comparable conduct.
 - b. 7:310, Restrictions on Publications and Written or Electronic Material. This policy prohibits students from: (i) accessing and/or distributing at school any written or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (ii) creating and/or distributing written or electronic material, including Internet material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.
 - c. 7:20. Harassment of Students Prohibited. This policy prohibits any person from harassing or intimidating a student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status.

Full implementation of the above policies includes: (a) conducting a prompt and thorough investigation of alleged incidents of bullying, intimidation, or harassing behavior, (b) providing each student who violates one or more of these policies with appropriate consequences and remedial action, and (c) protecting students against retaliation for reporting such conduct.

2. Examines the appropriate steps to understand and rectify conditions that foster bullying, intimidation, and harassment; this contemplates taking action to eliminate or prevent these disruptive behaviors beyond traditional punitive disciplinary actions.
3. Includes bullying prevention and character instruction in all grades in accordance with State law and Board policy 6:60, Curriculum Content. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, Student Social and Emotional Development.
4. Fully informs staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes: (a) communicating the District's expectation and the State law requirements that teachers and other certificated employees maintain discipline. And (b) establishing a process for staff members to fulfill their obligation to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.

5. Encourages all members of the school community, including students, parents, volunteers, and visitors, to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.
6. Actively involves students' parents/guardians in the remediation of the behavior(s) of concern. This includes ensuring that all parents/guardians are notified, as required by State law, whenever their child engages in aggressive behavior.
7. Communicates the District's expectation that all students conduct themselves with a proper regard for the rights and welfare of other students. This includes a process of commending or acknowledging students for demonstrating appropriate behavior.
8. Annually communicates this policy to students and their parents/guardians. This includes annually disseminating information to all students and parents/guardians explaining the serious disruption caused by bullying, intimidation, or harassment and that these behaviors will be taken seriously and are not acceptable in any form.
9. Engages in ongoing monitoring that includes collecting and analyzing appropriate data on the nature and extent of bullying in the District's school and, after identifying appropriate indicators, assesses the effectiveness of the various strategies, programs, and procedures and reports the results of this assessment to the Board along with recommendations to enhance effectiveness.
10. Complies with State and federal law and is in alignment with Board policies. This includes prompting the Board to update the policy beginning every 2 years after its initial adoption and filing this policy with the Illinois State Board of Education after the Board adopts or updates it.

Students

Harassment of Students Prohibited

No person, including a District employee or agent, or student, shall harass, intimidate or bully another student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Complaints of harassment, intimidation or bullying are handled according to the provisions on sexual harassment below. The Superintendent shall use reasonable measures to inform staff members and students that the District will not tolerate harassment, intimidation or bullying by including this policy in the appropriate handbooks.

Sexual Harassment Prohibited

Sexual harassment of students is prohibited. Any person, including a district employee or agent, or student, engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

1. Denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or
2. Has the purpose or effect of:
 - a. Substantially interfering with a student's educational environment;
 - b. Creating an intimidating, hostile, or offensive educational environment;
 - c. Depriving a student of educational aid, benefits, services, or treatment; or
 - d. Making submission to or rejection of such conduct the basis for academic decisions affecting a student.

The terms "intimidating," "hostile," and "offensive" include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students who believe they are victims of sexual harassment or have witnessed sexual harassment, are encouraged to discuss the matter with the student Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

An allegation that one student was sexually harassed by another student shall be referred to the Building Principal, Assistant Building Principal, or Dean of Students for appropriate action.

The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. At least one of these individuals will be female, and at least one will be male.

Any District employee who is determined, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any District student who is determined, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the discipline policy. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Student Discipline

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco materials.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, or selling:
 - a. Any illegal drug, controlled substance, or cannabis (including marijuana and hashish).
 - b. Any anabolic steroid not administered under a physician's care and supervision.
 - c. Any prescription drug when not prescribed for the student by a licensed physician or when used in a manner inconsistent with the prescription or prescribing physician's instructions.
 - d. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - e. "Look-alike" or counterfeit drugs, including a substance not containing an illegal drug or controlled substance, but one: (a) that a student believes to be, or represents to be, an illegal drug or controlled substance; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug or controlled substance.
 - f. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a weapon in violation of the "weapons" section of this policy.
5. Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct. Prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, hazing, or other comparable conduct.
10. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
11. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
12. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
13. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
14. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, and hazing.
15. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of early intervention and progressive discipline, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or physiological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

The grounds for disciplinary action, including those described more thoroughly later in this policy, apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;

2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Disciplinary Measures

Disciplinary measures may include:

1. Disciplinary conference.
2. Withholding of privileges.
3. Seizure of contraband.
4. Suspension from school and all school activities for up to 10 days provided that appropriate procedures are followed. A suspended student is prohibited from being on school grounds.
5. Suspension of bus riding privileges, provided that appropriate procedures are followed.
6. Expulsion from school and all school-sponsored activities and events for a definite time period not to exceed 2 calendar years, provided that the appropriate procedures are followed. An expelled student is prohibited from being on school grounds.
7. Notifying juvenile authorities or other law enforcement whenever the conduct involves illegal drugs (controlled substances), "look-alikes," alcohol, or weapons.
8. Notifying parents/guardians.
9. Temporary removal from the classroom.
10. In-school suspension for a period not to exceed 5 school days. The Building Principal or designee shall ensure that the student is properly supervised.
11. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
12. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure giving the student and/or parent/guardian the choice.

A student who is subject to suspension or expulsion may be eligible for transfer to an alternative school program.

Corporal punishment shall not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who uses, possesses, controls, or transfers a weapon, or any other object that can reasonably be considered, or looks like, a weapon, shall be expelled for at least one calendar year, but no more than 2 calendar years. The Superintendent may modify the expulsion period and the

Board may modify the Superintendent's determination, on a case-by-case basis. A "weapon" means possession, use, control, or transfer of: (1) any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code; (2) any other object if used or attempted to be used to cause bodily harm, including but not limited to, knives, brass knuckles, billy clubs; or (3) "look-alikes" of any weapon as defined above. Any item, such as a baseball bat, pipe, bottle, lock, stick, pencil, and pen, is considered to be a weapon if used or attempted to be used to cause bodily harm. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated educational employees and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

Preventing Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important District goal. The Superintendent or designee shall develop and maintain a program that:

1. Fully implements and enforces each of the following Board policies:
 - a. 7:190, *Student Discipline*. This policy prohibits students from engaging in hazing or any kind of aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct; prohibited conduct includes any use of violence, force, noise, coercion, threats, intimidation, fear, harassment, bullying, hazing, or other comparable conduct.
 - b. 7:310, *Restrictions on Publications and Written or Electronic Material*. This policy prohibits students from: (i) accessing and/or distributing at school any written or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (ii) creating and/or distributing written or electronic material, including Internet material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.
 - c. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person from harassing or intimidating a student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status.

Full implementation of the above policies includes: (a) conducting a prompt and thorough investigation of alleged incidents of bullying, intimidation, or harassing behavior, (b) providing each student who violates one or more of these policies with appropriate consequences and remedial action, and (c) protecting students against retaliation for reporting such conduct.

2. Examines the appropriate steps to understand and rectify conditions that foster bullying, intimidation, and harassment; this contemplates taking action to eliminate or prevent these disruptive behaviors beyond traditional punitive disciplinary actions.
3. Includes bullying prevention and character instruction in all grades in accordance with State law and Board policy 6:60, *Curriculum Content*. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
4. Fully informs staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes: (a) communicating the District's expectation – and the State law requirement – that teachers and other certificated employees maintain discipline, and (b) establishing a process for staff members to fulfill their obligation to report alleged acts of bullying, intimidation, harassment, and other acts of actual or threatened violence.

Adopted: January 22, 2008
