

Professional Learning Calendar 2022-2023

The calendar below provides an overview of professional learning events for the 2022-2023 school year. Additional learning opportunities may be added throughout the year. The majority of events included here are free-of-charge to attend/participate in for educators in Illinois. More information and/or registration for these experiences can be found on the [ISBE CTE website](#).

All times listed below are Central.

To register, click the "Register" link next to each date. Event details will be emailed to all registrants 48 hours prior to each event.
