Participating in the Child and Adult Care Food Program (CACFP) requires your organization to follow Civil Rights requirements. One of these requirements is to collect ethnic and racial data every year for all participants in the CACFP. Use this form to compile the results of Section 5 on the CACFP Annual Enrollment Form or tally ethnic/racial data of the enrolled children as self-identified by parents/guardians for other sources such as childcare/school databases.

1. **Ethnicity Data**—Use tick marks (###) to record each child participating in your program in one of the categories below.

	<b>Total</b>
The child is <b>Hispanic or Latino</b> —A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.	
	<b>Total</b>
The child is <b>NOT Hispanic or Latino</b> .	

2. **Racial Data**—Use tick marks (###) to record the number of children in each category. You may mark more than one category per child; therefore you may have more marks than you have *children*. *Count the total and record in the same box.*
