

# ILLINOIS PROFESSIONAL DEVELOPMENT PROVIDERS

Effective 1/1/2015 Updated 9/9/2019

The organizations below are Illinois state-approved professional development providers authorized to issue professional development credit to Illinois licensed educators for license renewal purposes.

**WARNING:** Entities that do not appear on this list are not Illinois state-approved professional development providers. Illinois educators cannot count professional development from unapproved providers toward professional development requirements for license renewal.

While Illinois state-approved professional development providers have authorization to collaborate with unapproved third-party professional development providers, they do so at their sole discretion. Educators who wish to complete professional development offered by an unapproved provider should seek approval from an Illinois state-approved professional development provider *prior* to registering for, paying for, or attending an activity.
