

COLLEGE BOARD

ILLINOIS BOOTS ON THE GROUND TEAM

The Illinois Boots on the Ground support team is comprised of four College Board consultants across Illinois whose mission is to support schools and districts with their transition from paper/pencil testing to the new digital SAT Suite for the spring 2024 ISBE-provided administration of the SAT with Essay, PSAT 10, and PSAT 8/9. They can support you with your technical setup questions, test administration instructions and training, and administration to accommodated testers.
