## **BigFuture Scholarships**

You could win \$40,000 ... just by planning for your future.

Starting in 10th grade, Illinois students can complete college and career planning steps on **BigFuture** and automatically enter monthly scholarship drawings. Two \$40,000 scholarships and multiple \$500 scholarships are awarded every month.

There's no required essay, minimum GPA, or test score. The requirements to qualify are simple: Complete actions that can help you get ready for life after high school.

Extra chances to win: If your family's income is less than \$60,000 per year, you'll earn double entries for every drawing.
