# CTE Career Exploration Toolkit

***The activities in this CTE Career Exploration Toolkit will allow students to learn about careers and begin to identify areas of career interest based on Career Cluster Interest Surveys and Career Exploration Activities.***

***Students will develop an awareness of CTE courses that align to their career interests with the end goal of creating a CTE Action Plan. The Action Plan outlines the students Career Cluster interest and links their interests to CTE, Academic, and Elective coursework that aid in meeting their career goals.***

### **Activity Overview**

1. Introduction to CTE
2. Student Strengths and Interests
3. Exploration of Careers
4. Exploration of Careers
5. CTE Action Plan

Each activity is designed to be implemented within a 45–60-minute class period.

## Introduction to CTE

Instructional Objectives	Students will: <ul style="list-style-type: none"><li>• Explore the 16 National Career Clusters</li><li>• Explore the coherent sequencing of CTE courses available in their district</li><li>• Begin exploring information that will lead to develop a personal career plan that incorporates relevant CTE and academic courses</li></ul>
Rationale	Our focus today is an introduction to the world of Career and Technical Education (CTE) and the 16 career clusters which represent 79 career pathways to help you navigate your way to greater success in your career choices. We will also explore the sequencing of courses available in our district and local high school(s) as well as develop an awareness of career pathways that these courses can lead you to.
Duration	One 45-minute class period
Resources	Equipment: <ul style="list-style-type: none"><li>• Computer with Internet access for multimedia presentations</li></ul> Materials: <ul style="list-style-type: none"><li>• Copies of handouts</li><li>• ISBE Career Guide <a href="#">online</a></li></ul> Handouts: <ul style="list-style-type: none"><li>• What is CTE?</li><li>• The 16 Career Clusters</li></ul>
Direct Instruction	Introduce objectives Encourage students to take notes during the upcoming presentation. Distribute the handouts. Provide a brief overview of the definition of CTE and what it offers students. Then use the online Career Guide (starting on page 16) along with the 16 Career Clusters handout to view each cluster. Focus on the “What Is It?” and “What Will I Do?” sections for each cluster in the online Career Guide. Allow for thorough class discussion and questions and answers.
Discussion Prompts	<ul style="list-style-type: none"><li>• What kind of job have you always dreamed of having when you get out of school?</li><li>• The job I would hate to have is.....(explain your choice)</li><li>• Which of the 16 clusters did you find the most interesting? Explain why.</li></ul>
Notes	

## Student Strengths and Interests

Instructional Objectives	<p>Students will:</p> <ul style="list-style-type: none"> <li>Complete a Student Interest Survey</li> <li>Determine which two or three clusters they are most interested in exploring</li> <li>Begin exploring information that will lead to develop a personal career plan that incorporates relevant CTE and academic courses</li> </ul>
Rationale	<p>Today you will be completing a Student Interest Survey which helps to organize your interests by actions you enjoy and are naturally gifted in. After completing the survey, we will share our results and begin to explore different careers of interest.</p> <p>Remember that our interests may change over time. These results today are intended to assist you with informal career exploration based on your personality, interests, abilities, talents, skills, and values – all of which make up who you are. This can be a big help in determine what type of career path you'd like to pursue.</p>
Duration	One 45-minute class period
Resources	<p>Materials:</p> <ul style="list-style-type: none"> <li>Copies of handouts</li> <li>ISBE Career Guide hardcopy or <a href="#">online</a> (hardcopy would be preferred for this activity)</li> </ul> <p>Handouts:</p> <ul style="list-style-type: none"> <li>Career Clusters Interest Survey</li> <li>The 16 Career Clusters</li> </ul>
Direct Instruction	<p>Introduce objectives</p> <p>Distribute the Career Clusters Interest Survey and read through the directions with the students. Have them complete the survey and refer to the 16 Career Clusters handout for determination of which clusters had the highest total for them.</p> <p>Have students write down the top three clusters that received the highest number total from their survey.</p> <p>After discussion on the individual results is complete, hand out the ISBE Career Guide so that students can explore their top three clusters and associated career paths.</p>
Discussion Prompts	<ul style="list-style-type: none"> <li>Which cluster had the highest total for you?</li> <li>Were the results of your survey what you expected?</li> <li>Is that a cluster within the three you wrote down that surprised you?</li> </ul>
Notes	<ul style="list-style-type: none"> <li>Other creative online formats/methods students could use to record their results would include: <b>Jamboard, Google Slides, Google Docs, PearDeck, video programs, etc.</b></li> </ul>

## Exploration of Careers

Instructional Objectives	Students will: <ul style="list-style-type: none"><li>• Utilize the Illinois High School to Career (HS2C) online system</li><li>• Review potential pathways after high school based on their career interests</li><li>• Begin exploring information that will lead to develop a personal career plan that incorporates relevant CTE and academic courses</li></ul>
Rationale	Today we will use High School to Career to explore your indicated areas of interest based on the survey you completed. This online tool will allow you to view post-secondary education choices by degree type and academic area of study, as well as your career outcomes.
Duration	One 45-minute class period
Resources	Equipment: <ul style="list-style-type: none"><li>• Computers with Internet access for student use</li></ul> Materials: <ul style="list-style-type: none"><li>• Student results from Career Clusters Interest Survey</li></ul> Online: <ul style="list-style-type: none"><li>• Illinois High School 2 Career (<a href="#">HS2C</a>)</li></ul>
Direct Instruction	Introduce objectives Have students use the results of their Career Clusters Interest Survey to explore various career options. Students can select their intended level of post-secondary education and compare different careers. Students can explore at the career or cluster level. Provide the link to the HS2C website and have students select “Start Now” to begin. Results should be recorded and shared.
Discussion Prompts	<ul style="list-style-type: none"><li>• Where you able to find a career that interested you? If not, what other information should we explore?</li><li>• Is there one cluster that you are currently leaning towards? Explain why.</li></ul>
Notes	

## Exploration of Careers

Instructional Objectives	Students will: <ul style="list-style-type: none"><li>• Investigate O*NET to prepare for a future career</li><li>• Assess necessary skills for employment</li><li>• Select a prospective career</li></ul>
Rationale	Today we will use another online career exploration tool which include more than 900 occupations based on your interests and needs.
Duration	One 45-minute class period
Resources	Equipment: <ul style="list-style-type: none"><li>• Computer with Internet access for student use</li></ul> Materials: <ul style="list-style-type: none"><li>• Student results from Career Clusters Interest Survey and HS2C exploration</li><li>• Copies of handouts</li></ul> Online: <ul style="list-style-type: none"><li>• <a href="#">O*NET</a></li></ul> Handouts: <ul style="list-style-type: none"><li>• O*NET Scavenger Hunt</li></ul>
Direct Instruction	O*NET <ol style="list-style-type: none"><li>1. O*NET is the nation's primary FREE source of occupational information which contains hundreds of occupation-specific career descriptions. This site may be used throughout your life in the even you decide to change jobs later.</li><li>2. Helps to evaluate or investigate career options</li></ol> Have the students complete the O*NET Scavenger Hunt using the included O*NET Handouts.
Discussion Prompts	<ul style="list-style-type: none"><li>• Where you able to find a career that interested you? If not, what other information should we explore?</li><li>• Is there one cluster that you are currently leaning towards? Explain why.</li></ul>
Notes	

## CTE Action Plan

Instructional Objectives	<p>Students will:</p> <ul style="list-style-type: none"> <li>• Complete their individualized CTE Action Plan</li> </ul>
Rationale	<p>Today we will use all the information from our career exploration activities to create your personalized CTE Action Plan which aligns to your career interests.</p>
Duration	<p>One 45-minute class period</p>
Resources	<p>Equipment:</p> <ul style="list-style-type: none"> <li>• Computer with Internet access for student use</li> </ul> <p>Materials:</p> <ul style="list-style-type: none"> <li>• Student results from Career Clusters Interest Survey and HS2C exploration</li> <li>• Copies of handouts</li> <li>• Information on the districts CTE program offerings, including any model programs of study</li> </ul> <p>Online:</p> <ul style="list-style-type: none"> <li>• <a href="#">O*NET</a></li> <li>• <a href="#">HS2C</a></li> </ul> <p>Handouts:</p> <ul style="list-style-type: none"> <li>• CTE Action Plan</li> </ul>
Direct Instruction	<p>Students should combine the interest survey results with their online career exploration activities to create a personalized CTE Action Plan. Interest survey results and any notes from their activities should be attached to their Action Plan. Access to HS2C or O*NET during the completion of their plan is recommended.</p> <p>CTE instructors, CTE coordinators, EFE directors or other staff members with knowledge of the programming for CTE courses may assist with the second portion of the plan.</p>
Discussion Prompts	<ul style="list-style-type: none"> <li>• What courses are you interested in taking based on your career interest?</li> <li>• Describe the process you will use in the future when exploring careers.</li> </ul>
Notes	<p>Online resources to assist with CTE programming options and coursework:</p> <ul style="list-style-type: none"> <li>• <a href="#">CTE Programs of Study</a></li> <li>• <a href="#">CTE Program Matrices</a> (includes courses and descriptions)</li> <li>• <a href="#">Education for Employment Directory</a></li> </ul>
