

ILLINOIS EARLY CHILDHOOD

PROFESSIONAL DEVELOPMENT AND RESOURCES

Child Find Project of Illinois

Mission: The Child Find Project provides free public awareness services as part of the comprehensive Child Find system. The goal of the Child Find Project is to educate the public about the importance of early intervention and early childhood special education services for eligible children as early as possible in their development. The Child Find Project develops and disseminates informational education materials and resource and service information to Illinois school districts, early intervention providers, health care providers, families, child care providers, educators, families, and the general public. The distribution of this educational material enables the Child Find Project to assist professionals with meeting Child Find mandates as required by IDEA.
