A priority school: Is a Title I or Title I eligible school that:

- Is among the persistently lowest performing 5 percent of Title I schools in the state based on a three-year average (i.e., from 2011 to 2013) performance of the "all student groups" category for the percentage of students meeting/exceeding standards on state tests in reading and mathematics combined; and
- Demonstrates a lack of progress; or
- Is a Title I participating or eligible secondary school that has an average graduation rate of less than 60 percent over the last three years (i.e., from 2011 to 2013).

Definitions: The following definitions are provided to assist with the understanding of eligibility criteria and related terms.

Persistently lowest performing schools: describes the lowest achieving 5% of Title I schools (i.e., priority school) in the state based on the three (3) year average of the *all student groups* category for the percent meeting/exceeding standards in reading and math combined and that demonstrate a lack of progress.

Lack of Progress: is demonstrated by a school when there:

- Has been a decrease in the percentage of the "All students" group meeting/exceeding standards on the state assessments from any one year to the next; or
- Has been less than a 10 percent increase in the all students group meeting/exceeding standards on the state assessments for
 the most recent school year when compared to the immediate preceding school year and less than a 20 percent cumulative
 increase for the all students group when compared to the previous two years.

The following schools are eligible to apply for the SIG grant during Spring 2014 for the FY2015-FY2017 school years.
